Re: FY 2017-2018 Proposed Budget

It is my privilege to present the City of Decatur's FY2018 Proposed Budget. This budget was built on the principles established early in the process:

1. Tax Rate would remain the same @ 0.703
2. Employees would receive a 2% raise
3. Equipment would be purchased where necessary – backhoe split between Streets and Utility Maintenance
4. The City's insurance expenditure would remain budgeted at \$10,000 per employee
5. No new staffing
6. No new debt
7. Add to the fund balance

The development of proposed budget met those objectives. The City was also able to add a building inspector and provide for a part time fire inspector.

The tax rate is budgeted at 0.705, with .5089 for M&O and .1941 for I&S. This results in a tax increase of 5.69%. The additional tax revenue is used for the employee raises and for new inspectors. Remember that last year the employees did not receive a raise.

The back hoe purchase is split between the Water Fund (2/3) and the General Fund (1/3). This is to replace an over twenty year old back hoe. Another equipment purchase that may occur in FY2018 is a new brush truck and chipper from the \$2.50 a month charge. That purchase would occur once the funds are available.

In FY2017 the decision was made to fund employee health care costs at a rate of up to \$10,000 per employee. This action reflected a decision by the Council to establish an amount to be paid for health care and not let health care costs drive the expenditure. HR worked diligently to provide options for the employees at this funding level. This also protects the City from ever increasing costs.

As mentioned previously, the only new full time employee budgeted is a building inspector position. There is also funding for a part time fire inspector. These positions will increase the safety and customer service the City provides to its citizens.

Again new debt is not planned for this budget, the City may refinance existing debt if there are favorable conditions.

Finally, there is an amount budgeted to contribute to fund balance.

I feel this budget will allow our staff to continue to meet the needs of the citizens and this Council. Thank you for the opportunity to increase our employee's salaries. Please let me know if you have any questions.
